

GLOBALDEV FOUNDATION

GRANT AGREEMENT

Grant No. GD-2026-WASH-0417

This Grant Agreement ("Agreement") is entered into as of March 3, 2026, between the GlobalDev Foundation ("Funder"), a charitable organization registered in the United States, and Northern Region Water Access Initiative ("Grantee"), a non-governmental organization registered in Ghana, for the implementation of the program described herein.

1. Purpose of Grant

The Funder agrees to provide financial support to the Grantee for the implementation of the "Northern Region Clean Water Access Project" (the "Project"), aimed at improving access to clean water for approximately 12,000 residents across eight communities in the Northern Region of Ghana through the construction and rehabilitation of borehole water systems.

2. Grant Amount and Disbursement

The total grant amount awarded under this Agreement is Two Hundred Forty Thousand United States Dollars (USD 240,000), to be disbursed in three (3) tranches as follows:

Tranche	Amount (USD)	Disbursement Date	Condition
1	\$96,000	Within 15 days of signing	Execution of this Agreement
2	\$96,000	September 1, 2026	Submission and approval of Q2 progress report
3	\$48,000	January 15, 2027	Submission and approval of Q4 progress report and site inspection

3. Grant Period

This Agreement shall be effective from March 3, 2026 through March 2, 2027 (the "Grant Period"), unless terminated earlier in accordance with Section 9.

4. Reporting Requirements

4.1 The Grantee shall submit a written narrative progress report to the Funder on a quarterly basis, no later than fifteen (15) calendar days after the end of each calendar quarter during the Grant Period.

4.2 The Grantee shall submit an annual financial statement, audited by an independent accountant, no later than sixty (60) days after the end of the Grant Period, i.e. by May 1, 2027.

4.3 The Grantee shall submit a final project completion report, including beneficiary counts, outcome data, and photographic documentation of completed works, no later than thirty (30) days after the end of the Grant Period, i.e. by April 1, 2027.

4.4 Any material delay or deviation from the Project workplan must be reported to the Funder in writing within ten (10) business days of the Grantee becoming aware of such delay.

5. Eligible and Ineligible Activities

5.1 Grant funds may be used exclusively for: borehole drilling and rehabilitation; procurement of water pumps and related hardware; community water management training; and directly associated project administration costs not exceeding ten percent (10%) of the total grant amount.

5.2 Grant funds may NOT be used for: construction of permanent office facilities; purchase of vehicles; political or religious activities; or any activity not described in the approved Project workplan without prior written consent of the Funder.

6. Compliance and Monitoring

6.1 The Grantee shall maintain accurate financial and programmatic records for a minimum of five (5) years following the end of the Grant Period.

6.2 The Funder reserves the right to conduct site visits with reasonable prior notice, and at least one such visit is anticipated during the Grant Period, tentatively scheduled for November 2026.

6.3 The Grantee shall acknowledge the Funder's support in all public communications and materials related to the Project.

7. Amendments

Any material change to the Project workplan, budget line reallocation exceeding fifteen percent (15%) of any budget category, or extension of the Grant Period requires prior written approval from the Funder.

8. Termination

The Funder may terminate this Agreement upon thirty (30) days written notice in the event of material breach, including but not limited to failure to submit required reports within thirty (30) days of the applicable deadline.
